Win a FREE Course Draw - Conferences and Exhibitions

The winner will be chosen at random after the event. The winner may enrol on one course offered by ICS Learn free of charge or, alternatively, nominate another person to enrol free of charge on their behalf.

Unless stated otherwise at the point of entry (for example, a CIPD-specific course draw), the winner may choose any course offered by ICS Learn. The winner, or their nominated person, **must enrol within 12 months** of the winner announcement.

This offer cannot be used in conjunction with any other offer, nor can it be applied to a course in which the winner is already enrolled. The offer is not valid on High School or LIBF courses. No cash alternative is available.

ICS Learn reserves the right to withdraw or amend this offer at any time.

Students who have previously completed a course with ICS Learn and return to enrol on another course are also eligible for a 10% discount.

Student Stories Submissions

We're looking for current and alumni to share their success stories. We'd love to hear how studying with ICS Learn has benefited your career and personal development.

To qualify for an online Amazon voucher (monetary value subject to change), **participants must email a story of at least 500 words to realstories@icslearn.co.uk**, in response to one of our student story request emails. Stories must be submitted **within 3 working days of receiving story instructions** from our team.

All stories must be reviewed, approved, and agreed for publication by our internal team to qualify for a voucher. As part of the review process, ICS Learn may make minor edits or amendments to submitted stories to ensure clarity, accuracy, and alignment with our tone of voice, while preserving the original meaning. Once written, if a story does not meet the standards eligible for publication, the participant will not be eligible to receive a voucher.

No cash alternative is available. Where applicable, students based outside the UK will instead receive the equivalent voucher value as a discount against their remaining course fees.

Additionally, by submitting a student story, **participants acknowledge and agree that ICS Learn may use approved stories, quotes, names, and any images voluntarily provided for marketing and promotional purposes**, including use on our website, social media, and other marketing collateral.

All use will be in line with applicable data protection legislation, including UK GDPR, and participants may withdraw consent for future use at any time by contacting us.

Please note that, unless they have a relevant career update to share and/or have enrolled on a new qualification, participants are only eligible for a voucher or reward if they have not submitted a student story within the previous 12 months. Only one Amazon voucher or course discount may be awarded per student per year.

ICS Learn reserves the right to withdraw or amend this offer at any time.

Refer a Friend

For every referred student who enrolls on a **CIPD programme**, you will receive **£100 in Amazon vouchers**, and your referred friend will receive **£100 off their total course fees**.

For every referred student who enrolls on a course in **any other faculty**, you will receive **£50 in Amazon vouchers**, and your referred friend will receive **£50 off their course fees**.

Amazon vouchers will be issued once your referred friend has paid their deposit and first instalment, and provided that your own account is in good standing.

Please note: Amazon vouchers are valid only on www.amazon.co.uk. Students based outside the UK who wish to use an Amazon voucher must register an account on www.amazon.co.uk.

Alternatively, instead of receiving Amazon vouchers, students based outside the UK will have the applicable voucher value applied as a discount against their remaining course fees.

This offer cannot be used in conjunction with any other promotion. No cash alternative is available. ICS Learn reserves the right to withdraw or amend this offer at any time.

CIPD and AAT Price Match Guarantee

We will price match any like-for-like online **CIPD or AAT** course offering the same qualification, level of support, and resources. Subscription-based services are excluded from this guarantee.

The price match guarantee **does not apply to courses that have already been purchased**, and no price match discount or refund will be issued after sale. Any lower price must be verifiable to our satisfaction and must include VAT. Typographical, or pricing errors are excluded.
