Fees increase slightly each year. Students will be updated with the fees for each year via the messages sent via Announcements on their course.

Here is the breakdown of the exam entry fees for 2025:

Candidate entry fee	£106.65
Marking coursework	£50.00
Transfer to the host exam centre	£40.95
Mock exams administration fee	£60.00

Total fees to ICS Learn	£257.60

Fees paid to your host exam centre

In addition to the coursework fees paid to us, you'll pay exam administration and marking fees to the host exam centre. The fees vary depending on the exam centre so we can't specify exact costs for these.
